

READY TO TALK ROI?

PRIME FORCE™: RESEARCHED AND READY TO DELIVER ROI.

When choosing a product, there's no room for guesswork about whether it'll deliver an exceptional return on your investment. And the more proof, the better.

Recent studies on feedlot cattle at the University of Nebraska-Lincoln have shown that feeding Prime Force during the last 60 days increased carcass weight—with no negative impacts on marbling or other quality measures.

EAGER FOR DETAILS?

Then you'll want to sign up for our webinar on March 13, 2024 at 1:00 PM Central Time led by Robert Bondurant.

Register below and see your Furst-McNess representative to get even more specifics about how Prime Force can benefit you.
